

Congratulations To

The First Certified Culinary Medicine Professionals!

The Advisory Board and the Health meets Food team is pleased to announce the first Certified Culinary Medicine Professionals. The Certified Culinary Medicine Professional (CCMP) program provides foodservice professional at any level with a unique combination of nutritional knowledge and improved healthy culinary skills so that they can effectively incorporate healthy options into menus to help consumers.

Congratulations to:

Colleen K.

Dave Rolls

Gerri D.

Featuring a hybrid 45-credit curriculum comprised of online education, live conference learning, and hands-on teaching kitchen modules, the CCMP program is designed for those passionate about integrating science-based nutrition research into their culinary skillset and will equip candidates with the nutritional knowledge and culinary skills to optimize health.
